

3 Bridges In Ft. Washington Office Park

Three bridges in the Ft. Washington Office Park (FWOP) will be replaced in 2016. Two of the bridges will be done at the same time starting in April and will take 8 months to complete. The 3rd bridge will be scheduled later.

There will be detours: one for thru traffic and one for local traffic. Find Detour Maps on the Documents TAB on my website www.GSUD3.com or the UD Township website for maps of the detours and additional information and updates.

The total cost will be \$5,220,000. The township received \$3,560,000 in grant funding leaving \$1,660,000 to be paid by Upper Dublin. This will put the FWOP in great shape to attract new businesses to our area.
