#### Human Relations Commission

The Upper Dublin Board of Commissioners (BOC) started a new commission to protect LGBTQ residents in UD from discrimination of any kind. This was necessary because the state of PA has not done so. Residents can bring discriminatory practices to the Commission. The Commission will provide the person legal standing for future actions in the courts and mediate the dispute.

#### Substance Use Disorder

We have all heard about the effects of substance use disorder. If you would like information on treatment and prevention go to the website below from Montgomery County. Here you will find many resources including the locations of 50 drug take back boxes around the county and where people can get naran.

#### Critical Sidewalk Connections

The township is working to put sidewalks in the eight corridors below to connect them to the rest of the sidewalks in the township.

Farm Lane,  
SPARK Drive,  
Limekiln Pike from Dreshertown Plaza up to the Jarretstown Elementary School,  
Limekiln Pike from Fulton Drive up to Fort Washington Ave. connection by the Maple Glen School,  
Norristown Road in the Tally Ho Drive connection area,  
Three Tuns Lane from Tally Ho Drive to Stout Road,  
Logan Avenue  
Beth Or which is a Butler Pike Connection.

#### Resolution Condemning Racism

In light of recent racist actions locally and across the country the UD BOC passed a resolution condemning racism and reaffirming the values of our community. The resolution was sent to all of UD's representatives, senators, the Governor and the President.

#### No Turn Signs Virginia Dr. & Camphill Rd.

Now that the bridgework is completed on Virginia Dr., it is important to know that the **NO TURN** signs are back in place on the corner of Virginia Dr. and Camphill Rd.

REMEMBER: **NO TURNS** in any direction at the corner of Virginia Dr. and Camphill Rd. Police will begin ticketing drivers!

#### Crossing Guard Returns!

The crossing guard will return to Kenmare and Derry Dr. at the yellow posts for the path to Jarretstown Elementary School. The placement of the guard last year was very successful in reducing traffic and safety issues making the crossing safer for our children.

#### New Streetlights

Some of you may have already noticed the streets are looking brighter! Upper Dublin is in the process of replacing the old dim streetlights throughout our township with new better quality, energy efficient, and brighter LED street lights and fixtures. This should be finished in a few weeks.

#### Green Light Go Project

Traffic lights on Welsh Rd. from 309 to 611 will be upgraded. The signals will be real time adaptive to traffic conditions.
